## Marines Cut Chinese Reds to Ribbons Atop Bunker Hill

### LANES FROM ARRIERS HIT HEAVY BLOWS

Seoul, Korea (P)—U. S. Marines and artillery today devastated 750 Chinese Communists assaulting leathernecked bunkers on Bunker Hill on the Korean Western front. The battalion-size attack—second major bid of the Chinese to capture the height—was broken down. Chinese losses were debilitated as very heavy. The Marine commander, Maj. John T. Seiden, said the attack ridge overlooking the unbroken truce site "is Marine territory now. We certainly are going to hang on to it." Marine foot soldiers, supported by flame-throwing tanks, captured a strongly fortified height and nearby Bunker Hill early yesterday. The Reds counterattacked at 10 yesterday but were thrown back with heavy losses. The Navy said its carrier planes took a heavy blow yesterday against major Red supply and concentration south of Wonsan, heavily battered East Coast city. The Navy said 40 buildings, including barracks, were flattened with heavy casualties to troops. Communist shore guns near Wonsan shelled Yodo Island, about 10 miles northeast of Wonsan, sinking the small repair ship USS Apple. The Navy said damage is slight and that there were no casualties. The U. S. Fifth Air Force said its bombers rained fire on the ground yesterday in Bunker Hill region. Pilots reported they destroyed 31 troop carriers, six mortar positions, 10 field pieces, and two personnel shelters.

### Operation Skywatch In Pennsylvania Has Air Force Approval

Harrisburg (P)—Pennsylvania's Operation Skywatch today received an initial stamp of approval from the Air Force and the State Civil Defense Council after its first month of operation. "There are still weak spots but we are improving continuously and gaining ground very slowly," said Dr. Richard B. Gerstell, State Civil Defense director.

Pennsylvania's Skywatch, an around the clock, seven day plan to spot possible enemy aircraft, was initiated July 14 with 625 observation posts in every county of the state. He said that this week an Air Force Officer, Capt. Wilson E. Lau of the 26th Air Defense Division, Roslyn, N. Y., told him "Pennsylvania has every reason to be proud of its Skywatch in comparison with what other states are doing."

Gerstell reported that 60 per cent of the state's observation posts are manned most of the time. The remaining 40 per cent are manned part of the time. Twenty per cent of the 625 have been operated on 24 hour schedules continuously since July 14. He reported that there are 17,500 volunteers on the state rolls but another 15,000 are needed to work out shifts of one per week and to cover up vacation periods. Col. Lewis F. Acker, who heads the State Ground Observer Corps, is conducting state-wide trips to integrate the work of county chiefs.

### Venturetown Driver Found Blameless In Schoenthaler Death

The driver of an automobile which struck and fatally injured Charles Schoenthaler, 78, on the Fifth avenue bridge crossing Coneywango creek, on the morning of July 23rd last, was exonerated from blame by a jury sitting inquest at the control center in Warren Municipal Building last evening at seven o'clock. The verdict found was as follows: "From the evidence submitted the jury is of the opinion that the driver, Alan Thompson, should be exonerated from blame in the death of Charles Schoenthaler." Eight witnesses were called before the jury which deliberated about a half hour before returning a verdict. A number of relatives and friends of the victim, who operated the grocery store at the corner of Water street and Fifth avenue, were among the interested spectators. The witnesses included H. R. Dickerson, 608 Prospect street, Warren; Walter Aaron, Youngsville; Dr. William Cashman; Clair S. Thomas, photographer; Chief of Police M. Egan; Patrolman Willard Zerbe; Lieut. Geary Bean; and Mrs. Charles Schoenthaler.

Eyewitnesses to the accident, Mr. Dickerson and Mr. Aaron, both testified they observed Mr. Schoenthaler step over the two-inch railing, approximately 24 inches above the sidewalk level, and onto the roadway, directly in the path of the car operated by young Thompson, who resides at Venturetown. The accident occurred, they said, about 25 feet from the west approach of the structure.

The driver of the car made a willing witness. He said he was going east on Fifth avenue and (Turn to Page Ten)

### SCATTERED GARMENTS LEAD TO MOTHER, 26, WANDERING IN FIELD NEAR RURAL HOME

Held for action by the Chautauqua County Grand Jury is Gerald Laverne Landers, 20, of Warren, who was arrested by deputy sheriffs of Chautauqua county early today after Vernon Blood, Jr., of Fentonville, reported that his wife, Theresa, 26, had been attacked, badly beaten and raped in a field near their home at Fentonville.

Lodged during the remainder of the night in county jail at Mayville, Landers was brought before Justice of the Peace Ralph Campbell in Carroll township, of which Frewsburg is a part, and is reported to have signed a confession shortly before noon today.

A Chautauqua County official informed The Times-Mirror that Blood, arriving at his home, found Mrs. Blood's slip on the floor, with blood nearby, whereupon he traced her, by garments which had been ripped from her body to a field. He said he found her naked and incoherent, wandering in the field, and she was taken to Jamestown General Hospital in her father-in-law's car where her condition today was reported as fair.

It is reported that Landers, after leaving the field, was given a lift by a Warren couple who had visited, earlier, the Cocoonut Grove establishment on the Warren-Jamestown road not far from the Blood home. Some distance down the road, the woman in the car remembered she had left her purse at Cocoonut Grove. Upon returning there, Landers was spotted by a deputy and arrested. Home on six days' leave from the Navy, he was in his white uniform which authorities said was splashed with blood.

Landers, it is reported, had left Cocoonut Grove in an intoxicated condition and had walked down the road, turning in at the Blood home where he hammered on the door and then grabbed Mrs. Blood when she came to the door. She was alone in the house with her two small sons, Carl Arthur, aged 3, and Elmer, aged one year. Mr. Blood, who works at the Jamestown Art Metal until 12:30 a. m., was delayed in his arrival home after work because the car in which he was riding, driven by his brother-in-law, Norman Reynolds, had broken down and had to be taken to a garage.

Landers was arrested by Deputy Sheriff Russell Barone of Mayville, operator of the radio car, and Deputy Sheriff Clayton Stanton of Frewsburg. These officers had been alerted by Blood's frantic call and arrived to check Cocoonut Grove just a few minutes before the car drove up which had given Landers a ride. They said Landers was visibly under the influence of intoxicants.

**DESTROYER'S SKIPPER BLAMED FOR TRAGEDY**  
Washington (P)—The mid-Atlantic collision of the carrier Wasp and the destroyer-minesweeper Hobson at a cost of 170 lives has been blamed on an "unexplained left turn" ordered by the Hobson's commander.

A Naval Court of Inquiry announced late yesterday that a "grave error of judgment" by Lt. Cmdr. W. J. Tierney caused the April 26 collision that sent the Hobson to the bottom and the Wasp limping back to New York, badly damaged.

All other officers were cleared of any responsibility for the tragedy, one of the worst peacetime disasters in U. S. Navy history.

Commander Tierney of Philadelphia, the only person blamed in the incident, went down with his ship and a Navy spokesman said the court's findings probably would end the case. The court said the reasons for Tierney's actions "will never be known."

### Erie Residents Are Stranded As Strike Idles 255 Drivers

Erie, Pa. (P)—Thousands of Erie residents were caught without transportation today as the result of a strike of 255 drivers and maintenance men of the Erie Coach Co.

The employees, members of the AFL Aamalgamated Association of Street, Electric Railways and Motor Coach Employees, walked off the job last night to back up demands for a 25-cent hourly pay raise and improved working conditions. The present wage scale was not disclosed.

William Niemeyer, president of the union local, said the strike was not authorized by the union. He pleaded with the workers to return to their jobs.

A strike originally had been set for Monday morning but was postponed at that time while union and management continued to negotiate for a new contract.

Erie Coach operates the only intracity transportation system in Erie, a city of 132,000.

## Penn'a Gas Plans Early Completion Of Line to Erie

Corry Journal: With shipments of pipe for its natural gas line expected in the near future now that the steel strike is over, the Pennsylvania Gas Company still hopes to complete its new 12-inch line between Royston in Warren County and Erie this year.

Harford Brothers construction company of Emporium is scheduled to start in the near future on two sections of the line still remaining to be laid.

One involves a two-mile stretch northwest of Corry between the new line and that of the Tennessee Gas Transmission Co. from which the PGC gets 10,000,000 cubic feet of fuel daily.

The remaining 13 miles of the 15-mile stretch remaining lies southwest of Erie, according to Warren Locke, president of the utility.

Mr. Locke said the Harford firm hopes to complete the work by the end of September. When

the last link of the new transmission pipe is completed the PGC will have four mains running from Warren to Erie. Two are eight-inch lines while one is a 10 and the new one is 12 inches.

Without mentioning the case in which several hundred Erie home owners are attempting to force the utility to supply them with fuel, Mr. Locke said, "The new line will not make any more gas available. However, the additional transmission facilities should relieve those low pressure conditions in Erie during periods of extremely cold weather."

## Kiwanis Club Will Boost Campaign to Encourage Voting

The Warren Kiwanis club at today's luncheon meeting enthusiastically endorsed the recommendation of the president and board of directors that the organization join with the 3,400 other clubs in the United States to initiate a nationwide campaign to get out the vote. First action was taken at a regular monthly board meeting Monday evening.

The plan is to be known as the "Ballot Battalion." The purpose of the "Ballot Battalion" is three-fold:

1.—To induce every potential voter to register before September 13th.

2.—To acquaint the voters with the qualifications of candidates.

3.—To induce every registered voter to VOTE in November.

To be successful the "Ballot Battalion" must be comprised of every civic-minded organization in Warren. Representatives of such organizations are urged to attend an organization meeting in the near future for the purpose of electing a permanent chairman and formulating plans for the register and vote campaign.

Kiwanis like every other patriotic organization, deprecates the fact that the voting record in the United States has been getting worse. In some parts of the world people are sacrificing their lives for the right to vote while in this country almost 50 per cent of the eligible voters show no interest in exercising their franchise.

The campaign is to be completely non-partisan in its approach. The theme will be "Vote as you please on election day, BUT VOTE."

With the sponsorship of this community effort, Kiwanis is putting into action one of its 1952 objectives. "Elect and support efficient, trustworthy public officials."

Swimming, diving, and water safety instruction is capably given to both beginning and advanced swimmers.

Last evening sixteen "1st year" boys became bona fide campers, or "stuck-ups" as they are called, having duly undergone the rigors of initiation. These lads were: Bruce Yeagle, Kurt Donaldson, Jim Nordin, Bob Saunders, Walter Edsall, Lenny Grosch, Alan Baldensperger, Raymond Horner, Gaylord McFarland, Jerry Armstrong, Walter Jones, Wayne Miller, Vic Hendrickson, Steve Lindquist, and Richard Shattuck.

Every one enjoyed the activities of initiation which were all offered in good fun. Afterward came the campfire with group singing, the reading of the camp daily newspaper THE ECHO, and devotions.

This evening will be held the annual Parent's Night which is set aside so that the boys may "show off" their camp. The fellows and staff cordially invite their families and friends to come out for this occasion. The supper provided by the visitors is a tradition enjoyed by everyone. The place: Camp Birdsall Edey on the Grundeville Road. (For the convenience of the visitors signs have been placed along the highway.) The time: 4 p. m. (EDT).

# Community Meet At Starbrick To Discuss New Road

The following appeal, directed to all persons in Starbrick, interested in the safety of children in that area, reminds of a community meeting to be held Thursday evening at eight o'clock in the church basement.

August 12, 1952

Editor Warren Times-Mirror.

Dear Sir:

I would appreciate it if you would print this letter:

To the Residents of Starbrick:

Are you interested in the safety of your children? If you are please support your Community Association.

This organization has been working to get a street running parallel with the highway from the east end of Starbrick to the schoolhouse so that the children would be kept off the highway. This street has been nearly completed.

This summer attendance at all meetings has been so poor that further action on completion has been impossible. It would be a shame if this worthy project should fall short of its goal because of our indifference.

I implore you—don't let this happen!

The next Community meeting will be held this Thursday August 14 at 8 o'clock at the church basement. Mothers and fathers, let's all turn out and find out what we can do to get this street completed.

A Worried Starbrick Mother.

For every star that a person sees on a clear night, there are 100 different species of insects on the earth below.

**STARBRICK MEETING**

The Starbrick Community Association will hold its monthly meeting at eight o'clock Thursday evening in the church basement. Since important work is to be done, a large turnout is hoped for.

**POLIO VICTIM**

The 12th polio victim to be admitted to Lake View Municipal Hospital in Erie is a 10-year-old West Unity, O., boy who was stricken while visiting in Meadville. His condition is reported serious and he is suffering from complete paralysis and is in an iron lung.

**LOCKED IN REST ROOM**

A three-year-old boy who locked himself in the rest room of the Erie Railroad passenger station at Corry Saturday morning showed little concern while employees scurried to find a way of getting him out. In the interval the youngster calmly puffed away on a toy harmonica.

**DUFF AND FINE TO SPEAK**

Governor John S. Fine and Senator James H. Duff will be the featured speakers at the annual Crawford County Republican picnic next Saturday, Aug. 16, County Chairman Robert F. Kent announced today. The picnic at Conneaut Lake Park will begin with dinner about 1 p. m. and the speaking program will follow. Others expected to be at the picnic are Judge Arnold, candidate for Superior Court, Weldon B. Heyburn, auditor general, candidate for state treasurer; and Charles Barber, state treasurer, candidate for auditor general.

**PERFORMER INJURED**

Corry Journal: Local friends have received word that Miss Dorothy Jacobs, member of the "Dot and Dash" entertainment team who has recently been making her home in Corry, was injured in an amusement park accident at Old Orchard Beach in Maine where she and Mrs. Mabel Larson of Corry are booked for the summer. Miss Jacobs was hurt when she was hurled 15 feet out of "The Whip" and crashed through a fence. She was treated at a hospital there but has since been released and the "Dot and Dash" show is expected to be resumed in the near future.

**DEPOSIT DISCONTINUED**

A five cent deposit required on milk bottles in six communities of McKean County Friday was ordered discontinued effective August 17th by the State Milk Control Commission. The commission order included the boroughs of Mt. Jewett and Kane and Hamilton, Wetmore, Hamlin and Sergeant townships. The commission acted after conducting a hearing July 24 at Smethport. A commission spokesman said the deposit was abolished because dealers and distributors of milk in glass bottles were placed at a disadvantage in competition with milk sold in paper containers in the six areas. The commission removed the bottle deposit June 2nd in Elk and Warren counties, adjoining McKean.

**PENSION FACTS**

Old-age pensions, popularly known as "social security," play a big part in keeping the number of aged persons dependent on Old-Age Assistance relatively low in Pennsylvania. This is also true of other states in which industrial employment represents a large part of total employment. In Pennsylvania 33 per cent of the persons aged 65 or over are receiving old-age social security pensions. In New York the corresponding percentage is 32. On the other hand, in the agricultural states of Missouri, North Dakota, and South Carolina, the percentages of persons receiving social security pensions are 20, 10 and 17, respectively. The influence of old-age social security pensions is shown by the fact that in New York and Pennsylvania only about 9 per cent of persons aged 65 or over receive Old-Age Assistance, whereas in Missouri, North Dakota and South Carolina the corresponding percentages are 31, 19 and 37.

**Esso Extra Gasoline**

Many motorists believe that all good gasolines are generally pretty much alike. But here are the facts as proved by industry-accepted road and laboratory tests!

Esso Extra gives you a remarkable combination of qualities that will improve the all-year, all-around performance of 9 out of 10 cars on the road.

We believe a trial will prove to you Esso

Extra delivers results no other gasoline can—in full power, long mileage, high anti-knock, quick starting, fast engine warm-up, and protection against vapor-lock stalling.

And while you're at your Esso Dealer's, there's certainly no better time to let him give your car a complete lubrication and careful check-up for the hot weather driving you'll be doing.

\* Esso Extra Gasoline is good for ALL cars, but in 9 out of 10 it will give better all-around performance all year 'round than any other gasoline. Only a car with an engine that's poorly adjusted, badly worn, or one with unusual compression characteristics may be unable to use fully the many extra qualities of this great gasoline. # VETERANS' INFORMATION

Questions and Answers for Korean Vets

By DOUGLAS LARSEN  
NEA Staff Correspondent

Washington — (NEA) — Q. To qualify for the benefits of the so-called Korean vets GI Bill of rights must you actually have served in Korea?  
A. No. As long as you served after June 27, 1950, got a discharge other than dishonorable and served for at least 90 days—unless discharged with a service-connected disability before that time—you could have served any place in the world, in the United States or abroad.

Q. What's the new regulation on light training?  
A. For a veteran taking flight training, the allowance will be 75 per cent of the school's established charge for non-veterans taking the same course. If he's taking light training along with some other courses, he will receive the light training pay as well as whatever other allowance he is entitled to. In any case, flight trainees will use up the entitlement at the rate of one day for each \$1.25 paid to them by the VA.

Q. What does VA pay a vet who is going to college under the new bill?  
A. Rates for veterans in full-time training in schools and colleges are \$110 a month, if they have no dependents; \$135 if they have one dependent, and \$160 if they have more than one dependent. Those in training less than full-time will receive lower monthly rates.

Q. What's this about payments or some training being reduced if time goes on?  
A. On-job and on-farm rates are reduced, at four-month intervals, as the training progresses and the veteran's own earnings increase.

Q. What about correspondence school courses under the new GI bill?  
A. For veterans taking correspondence courses only, VA's allowance will be the school's established charge for non-veterans taking the same course.

## Returned Vacationist Peril Of Office Life, Boyle Says

By HAL BOYLE  
New York Times — One of the perils of American office life these summer days is the returned vacationist. He insists that you hear about his vacation—but he closes his big ears like a cat when you want to tell him about your vacation. The office vacationists fall into pretty standard types. Here are a few you may recognize:

1. The Postcard Friend—He writes you a postcard as he leaves his home, and stops off at every other filling station along the way to mail more. Two weeks after he is back at work you are still getting postcards about what a swell time he is having.

2. The Calamity Kid—Bee-stung and covered with poison ivy, he returns on crutches.

3. The Sultry Stenographer—She looks the color of a hand-rubbed walnut bookcase from days of beach sunning, and there are wedding bells in her eyes.

4. The Camera Nut—He has to be forcibly restrained from pulling down the office window blinds and trying to show everybody the interesting new movies he made of Niagara Falls.

5. The Statistician—This boy not only has the figures of how much he paid for gas and oil at every stop—he also wants to tell you the air pressure in each tire the day he drove up Pike's Peak.

6. The Everloving Homebody—"Vacations are more fun at home," he begins.

7. The Funny Fellow—Everything comical happens to him.

8. The Don't-Let-'Em-Get-Away-With-Anything Guy—"They try to rob you every step of the way," he moans, and neglects to mention the dime tip he pocketed that the

## Resident of Corry Area Takes His Own Life By Shooting

Lionel Sillaway, 74 a resident of the Corry section for many years, died Tuesday morning of a self-inflicted gunshot wound near the farm residence where he made his home with his daughter and son-in-law, Mr. and Mrs. Frank Green, Corry RD 4.

Deputy Coroner Robert Bracken, of Corry, issued a certificate of death by suicide.

The body of Mr. Sillaway was found in a corn field near his car parked a short distance from the home. It was surmised he had arisen early in the morning and left the house after Mr. Green had departed for work and while Mrs. Green was sleeping.

His disappearance was discovered by his daughter at 11:30 when she tried to call him for lunch. In the company of a neighbor she started a search for her father and the body was found about 12:15.

In ill health for some years, Mr. Sillaway had been increasingly dependent for the past two weeks, according to relatives. He was born February 10th, 1878, at Spring Creek and lived on a farm in the Lindsey Hollow vicinity until 1918 when he moved to a farm at RD 1, Corry. He had been living with his daughter, Mrs. Green for the last three years.

Surviving are five daughters, Mrs. Alpha Maine, RD 1, Corry; Mrs. Louise Maine, Mohawk, N. M.; Mrs. Frank Greene, RD 4, Corry; Mrs. Clarence Keith, Warren; Mrs. William Lamar, Sandusky, O. There are three step-children and 16 grandchildren.

## Tubular Goods To Continue Scarce Producers Learn

Titusville Herald: Two authoritative speakers forecast a scarcity of oil field tubular goods well into 1953 at the fifth annual picnic of the Middle District Producers Association at the Vernon Clinger camp on the Enterprise-Tidoute road Saturday. About 125 oil men were present.

Harry O. Murphy of Washington, D. C., head of the secondary recovery section of the Petroleum Administration for Defense, said the recent steel strike resulted in the loss of 75 days' production of 8,200 wells.

"Buckle your seat belts and ride it out," he advised producers.

Charles Hapgood, manager of tubular sales for the Jones & Laughlin Steel Corp., Pittsburgh, said the strike had wiped out hope of building up production to proper levels until months ahead.

Mr. Murphy said the PAD program called for drilling 50,000 wells this year, 55,000 wells in 1953, 60,000 in 1954 and 65,000 in 1955. The strike has resulted in the loss of 180,000 barrels of oil a day, he estimated.

Mr. Murphy pointed out that PAD hasn't any steel to allocate for the fourth quarter of the present year, but is making every effort to see that tickets issued to oil producers against the steel mills' output in the second and third quarters will be honored.

He made it clear that PAD would help any operator who had a real emergency need for pipe. He explained, for example, that if an operator needs a limited tonnage of certain sizes to enable him to sink a pipe to meet lease terminations, that would classify as an emergency.

During the question period after his speech, he said that 6 1/2-inch casing and 2-inch tubing used in this region are not classified by PAD as oil country tubular goods, but are called pipe line. He indicated that PAD would give clearance on this material to any operator who could find a supplier.

Mr. Hapgood praised the high calibre of men in PAD, but asserted that what he was looking for is de-control. He emphasized the advisability of a free economy, and explained how the priority system complicated steel mill operations.

Tracing the efforts made by steel companies to increase production capacity since 1940, he said the industry's ingot-making capacity of 80,000,000 tons in 1945 had been increased to 118,000,000 tons this year.

Q. L. (Cap) Wilcox, president of the association, introduced the speakers.

### Untrained Voices Mar Talks Of Most Women Politicians

WOMEN were right there in the thick of things at both parties' 1952 national conventions.

Sure enough, women have come a long way in a short time. But listening to them speak, one fact stood out clearly. Most of them can't.

It's not what they have to say that works against them. It's their voices.

With few exceptions, their voices grated on our ears. Some screeched to make themselves heard. Others shouted. The effect in most cases was either irritating or just downright funny.

#### HAIRY VOICES WILL STOP THEM

SURE, women have come a long way. But they aren't going much further in politics until they realize what a handicap an unpleasant, poorly controlled voice is to a woman speaker.

A voice that screeches or yells when trying to make itself heard is an aid to no woman's speech no matter how well the speech has been thought out and prepared.

If the voice irritates, whatever the voice says doesn't get a fair hearing.

So, before another four years roll around women with political ambitions had better concentrate on training their voices. Men have a natural advantage over women when it comes to public speaking.

The only way women can hope to compete is to learn to use their native voices effectively.

## ● JACOBY ON BRIDGE

By OSWALD JACOBY  
Written for NEA Service

Sometimes a bridge player has to guess, but it's often just a brainstorm. At any rate, that's what happened to East in the hand shown today.

South could have defeated the opponents at four hearts, but he thought it was far safer to go to five clubs. He expected to be set one or more tricks, but his honors were sure to reduce the penalty considerably. It was too risky to let the opponents have a chance at game and rubber with their contract of four hearts.

Against South's intended sacrifice of five clubs, West opened the king of diamonds. East played

the discouraging three, and West hastily shifted to the queen of hearts. East overtook with the king of hearts and then wavered.

As East explained later, he knew that South had one more red card, but he couldn't tell whether it was a diamond or a heart. He was afraid to lead the wrong suit for fear that South would ruff and then run the rest of the tricks. As it happened, he "guessed" wrong, by laying down the ace of diamonds.

South ruffed with the ten of clubs, drew three rounds of trumps ending in dummy, and led the ten of diamonds through East. The play was fortunate enough to pick up West's nine and therefore established two diamond tricks in dummy.

South ruffed out the queen of diamonds and returned the jack of spades. West covered with the queen and dummy won with the king. Now South could discard the losing heart and the low spade on dummy's good diamonds, after which it was a cinch to roll in 11 tricks.

East's "guess" was, of course, nothing of the sort. It was perfectly safe for East to lead a high heart. If South ruffed the heart, he could do nothing to dispose of any diamond loser he might hold. It was true that East couldn't tell which suit to lead to win an immediate trick, but this was not important. The diamond trick could not run away, but if a heart trick could be won, it had to be taken at once.

## ERIE OFFICE OF OPS TO BE DISCONTINUED

The Erie District Office of Price Stabilization will be discontinued on Aug. 22 when the staff and clerical force will be reduced from the present strength of 70 people to a remaining force of 4, according to Director William J. Collins.

The operations of the Erie district, which comprised 15 counties in northwestern Pennsylvania, will after Aug. 22, be conducted by the Pittsburgh OPS office which will administer and enforce control regulations with a greatly reduced staff and office force.

The discontinuance of the Erie office follows the nationwide pattern of closing practically all district OPS offices because of congressional reductions of appropriations for the administration of all government agencies operating under the new Defense Production Act.

# Amateur Wrestling Show Attracts Big Interest

INITIAL STEP—These husky looking lads are among some 135 Warren High School and Beatty Junior High boys who took physical examinations this morning, prior to the opening day of football practice Monday, August 18. At the right is Dr. T. W. Gettings, school physician. The examinations are the initial step in the pre-season program along with issuing equipment, which starts at 7 o'clock this evening for all team members who were out last year.

## Hot Stove League's Regular Schedule Ends With 4 Games Left on Agenda for Tonight

When the Cadet League plays off tonight's games it will mark the end of the regular 1952 Hot Stove League schedule for all five divisions. The Junior and Intermediate circuits drew their season to a close on July 31, while the Midgets and Bantams just finished.

For the Juniors and Intermediates it is all over with. The Clarendon Merchants were announced the Junior champs after winning a three-way tie for the first half and then taking the second portion with an unmarred 7-0 record. The Intermediates did not need a playoff either as the Western Astro team went undefeated all season with 14 wins for an undisputed crown.

In the Bantam League the Craft Agency was winner of both halves in the western division with a clean sweep of eight wins during the season. In the eastern division, however, Segel & Son won the first-half and Sunray Electric the second. This playoff will be staged at 6 o'clock Thursday evening at War Memorial Field. Then on Friday, August 15, the two division winners will play at Lacy Field with the Craft Agency as the home team. On Tuesday, August 19, a second playoff game will be played on War Memorial Field, and

half with a 7-0 record, while Wills, first-half winners, have only one loss. Should Wills win this evening it would mean a playoff for the half between the two teams, while if Johnsons is the victor tonight, the two will play off for the crown.

## Falcons Claw Way Back to Top Spot

The Jamestown Falcons rode back into the top spot in the Pony League last night as two of their pitching guns moved down the Hamilton Cardinals in both ends of a doubleheader, 1-0, 4-2.

Over at Hornell, the fast-fading hometown Dodgers were held in check most of the way by the Wellsville Rockets and the rockets won it in the 11th 8-6.

Batavia's Ted Morris held Bradford to six hits as he whitewashed the Phils, 3-0, hanging up his second straight shutout.

Olean at Corning was postponed because of wet grounds.

## Mixed Bowling League At Samuelson's Camp

There was a large turn-out for the Mixed Bowling League's winner roast, Tuesday night, at the summer camp of Mr. and Mrs. Everett Samuelson, Hackney Meadows, and a grand time was reported by all.

The committee in charge consisted of Mrs. Harry Rosequist, Miss Mae Speaker and Edward Stites.

## KIWANIS CLUB PRESENTS AN 8-BOUT CARD ON THURSDAY NIGHT AT MEMORIAL FIELD

The spotlight on sports this week points to War Memorial Field at 8:30 o'clock Thursday night, when Warren's first outdoor amateur wrestling program will be presented under auspices of the Kiwanis Club.

An outstanding eight-bout card has been arranged by the committee to pit local amateur grapplers against some of the top contenders in this section. While seven matches have been announced, ranging from the 95-pound weight class to the heavyweight, the eighth is still a mystery and will just have to be called that kind of a match.

The feature attraction tomorrow evening brings together Homer Barr, former Clearfield boy now head wrestling coach at Warren High School, and Lynn Illingworth, Penn State varsity man last season.

Other bouts are as follows: Bob Benson, Warren, vs. Dave Gallagher, Clearfield; Carl Nelson, Warren, vs. Mac Hummel, Clearfield; Clark Wright, Warren, vs. Paul Swales, Clearfield; Den Brown, Warren, vs. Russ Tripoli, Clearfield; Don Mimm vs. Dean Tripoli, Clearfield; and Lou Cummings, Warren, vs. Joe Accoridino, Clearfield.

Barr, a former intercollegiate champ, holder of the Great Lakes heavyweight crown and Olympic tryout finalist, will be competing with an old schoolmate in Illingworth.

While Barr was a sophomore on the Lions' wrestling team, Illingworth was a freshman and was unable to make the varsity until last year because of the local coach. A State College native, he turned in a fine season with only one loss in the regular schedule. Except for an injury, Illingworth had a good chance to take the eastern intercollegiate title, but placed third.

In the light-heavyweight division Bob Benson wrestles 31-year-old Mac Hummel. Hummel owns several AAU titles and is currently wrestling behind Joe Lemyre, national collegiate champion. In high school before the PIAA was brought into the picture, he placed in the WPIAL and later wrestled with the Clearfield "Y" team that was defeated only twice in four years.

Both Warren's Carl Nelson and Clearfield's Dave Gallagher will have one thing in common when they tangle, they both lost to George Beresford of Phillipsburg in the PIAA regionals last season. They will wrestle at 170 pounds.

Paul Swales, Clark Wright's opponent, is a nephew of Homer Barr and recently returned to Clearfield after serving with the U. S. Army in Korea. In 1945 Swales, a 150 pounder, won the

state PIAA title, and holds several regional AAU titles. He also was a member of the "Y" team in his home town.

One of the top bouts of the evening should be between Dean Tripoli and Don Mimm in the 120 pound class. Both boys are still in high school, Mimm to be after his fourth varsity letter this year. Tripoli placed second in the District 6-9 meet last season.

Russ Tripoli, a brother of Dean, competes with Den Brown in the 127 pound weight class as another of Thursday's amateur night bouts and Lou Cummings and Joe Accoridino will hustle around to see who the victor is in the 95-pound division.

## Penniless Sharkey Fights Against Old Age and Loneliness

San Francisco (AP) Sailor Tom Sharkey, once a gloved terror of the ring, now is fighting a serious—and possibly his final—battle. His opponents are old age, feebleness and loneliness.

Sharkey is confined to a bed in San Francisco hospital. He entered the institution penniless.

Friends have come to his aid. Parker Maddux, banker, and Louis Lurie, financier, are members of a committee which has undertaken to collect a fund for the old-time pugilist's needs. Contributions have been small. Less than \$1,000 is on hand for medical and other aid.

Never a champion himself, Sharkey boxed the best in his day. He is the only man alive today who exchanged punches with the first four heavyweight champions under the Marquis of Queensbury rules. They are John L. Sullivan, James J. Corbett, Bob Fitzsimmons and James J. Jeffries.

## 'Stu' Miller Shows How Card Pitchers Emerge From Farms

By JACK HAND  
A. P. Sports Writer

Stu Miller's sensational debut with the St. Louis Cardinals recalls the "good old days" when pitchers like Bill Hallahan, Dizzy and Paul Dean Howie Pollet and Harry Brecheen used to pop out of the Card farm system each fall.

Vinegar Bend Mizell, who arrived this spring, was going to revive the old Cardinal habit. He may yet prove to be the "big" pitcher they need but he has been inconsistent.

Now comes Miller, a 24-year-old right-hander with a 11-5 record at Columbus, to stand the Chicago Cubs on their ears with a six-hit shutout, 1-0.

Just to prove he had it in the clutch, Miller breezed a 3-2 pitch past Bill Serena for a called strike in the ninth with men on first and third and two out.

The New York Giants won't start any little miracle this Aug. 12. That became definite last night when their scheduled night game at Brooklyn was rained out.

Having passed their anniversary of the start of the 1951 push in idleness, the Giants hope to launch their '52 spurt in a day-night doubleheader at Brooklyn today.

The Boston at Philadelphia game in the National was washed out and Pittsburgh and Cincinnati were not scheduled.

Rain kept both the New York Yankee and runner-up Cleveland idle yesterday. The Yanks' home night game with Washington was put over to make a doubleheader today. Cleveland's home date with Detroit also was rained out.

Boston lost a chance to gain on the leaders by dropping a 13-inning game to the Philadelphia A's, who now trail the Yanks by only 7½ lengths. Billy Hitchcock's single scored Gus Zernial in the 13th to top the Red Sox, 4-3, after Clyde Vollmer's two-run homer tied the score in the eighth.

Jimmy Dyck took matters into his own hands to power the St. Louis Browns to a 3-2 win over the Chicago White Sox in 12 innings.

**VFW Tourney Draws  
8 Sectional Teams**

Harrisburg (P)—Eight sectional champion teams will vie for honors here Friday and Saturday in the fourth annual Pennsylvania State Veterans of Foreign Wars "Teen-er league baseball tourney."

The teams represent the cream of the crop that has been competing in VFW play for the past two months. All played a three-game series to emerge as their area's all-stars.

The 13 to 15-year olds will battle for the crown of the 1951 champion DuBois team, dethroned recently by Punksatlawney.

Friday's opening games will see these pairings:

Uniontown vs. West Shore Nationals Harrisburg; Jessup vs. Harrisburg Hill; Mifflin County vs. Loy Mont, a Williamsport suburb; Chester vs. Punksatlawney.

Semifinals, the final and the consolation game will be played Saturday.

## Through The Wind Tunnel

As in fabled days of yore, the hills in the Conewago Valley echoed back and forth last night, but it wasn't the thunder of ten pins being knocked asunder. 'Twas just the pleasant social sound of a picnic held by the Women's Bowling League at Hackney Meadows.

On a post card picturing The Castle, near Olean, we are penned the following message: "When speaking of good eating places in your column, please mention this. Sure is great." It was signed "from four Warren GIRLS' Out For the Nite."

They're old-fashioned flowers, and they look like gigantic Sweet William, but we've never seen any that large. Take a look at them, a veritable hedge of beauty, along the Fifth Avenue side of Chuck DeFrées' home at Liberty and Fifth.

News of football physicals and issuance of equipment always reminds us of grid notables out of the past who wore the Blue and White. One of these is Earl "Red" Lindquist, now living in Jamestown and whose son was on the Red Raider team last fall. "Red" has a birthday on August 15.

A few days ago, in an old trunk, we found a fine picture of the WHS team of '25. In this group are Tom Moran, Elzie Wright, Claude Schindler, Ped, Davidson, "Red" Lindquist, Henry Anderson, Phil Kerr, Freddy Gebhardt, and many others easily recognized.

## Del Greco Is Sent To Canadian Team

Pittsburgh (P)—The Pittsburgh Pirates have sent rookie center-fielder Bobby del Greco to Toronto in the International League for the remainder of the International League season.

Pirate officials said Del Greco will be recalled to Pittsburgh Sept. 17. General Manager Branch Rickey said the move was made to make room for rookies the club wishes to try out and at the same time keep Del Greco busy.

The youthful Pittsburgher joined the Pirates in spring training this year. He has been hitting .207.

## Hickory vs. Munhall In Little Loop Today

Williamsport (P)—Pennsylvania's "Little Wonders" of the baseball diamond went into action again today with Hickory facing Munhall at 3 p. m. and West Union battling Newville at 6 p. m.

All teams entered in the competition are area champions who won their way into this sixth annual renewal of the Pennsylvania Little League tournament. The boys are eight to 12 years old.

In yesterday's opening game, Monongahela, of the McKeesport-Washington area, advanced to the semi-finals of the five-day tourney with a 5-2 win over Phoenixville.

Mid-Valley, of the Scranton area, then went on to shut out Portage, Altoona-Johnstown, 7-0. Monongahela and Mid-Valley will meet in the first semi-final tomorrow.

Eight teams are competing for the right to represent the Keystone state in the national Little League World Series here Aug. 26-29.

## East-West Jr. Game To Be at Ephrata

Harrisburg (P)—Ephrata's War Memorial field will be the site of the annual East-West All-Star Junior Legion baseball game on Aug. 29.

George Bellis, director of the State American Legion's athletic program, announced selection of the site last night after conferring with representatives of civic organizations from nine cities.

He said the game originally was to be played at Pittsburgh's Forbes Field but had to be switched due to a heavy schedule of postponed Pittsburgh Pirates' games.

In the game will be players selected from earlier All-Star eastern and western games played at Philadelphia and Pittsburgh.

## Reversal Is Asked By Charles' Manager

Pittsburgh (P)—Jake Mintz, co-manager of ex-heavyweight Ezzard Charles, has asked the National Boxing Association to reverse a decision giving Rex Layne of Utah a win over Charles.

Referee Jack Dempsey gave the 10-round decision to Layne at Ogden, Utah, last Friday. Mintz called the decision the "worst in ring history."

Abe Greene, NBA head, said he has not yet received Mintz's complaint but added the NBA "would not intrude on any state jurisdiction."

Utah is not affiliated with the National Boxing Association and there is no boxing commission in the state.

## Chicago Bears Beat Pittsburgh Steelers

Pittsburgh (P)—The Chicago Bears spoiled the coming out party of the Pittsburgh Steelers' new T-formation style of play last night by beating them 14-9 in a National Football League exhibition witnessed by a surprising turnout of 26,224.

The Bears, behind 2-0 as the result of a first quarter safety, struck for both of their touchdowns in the third period. The TD's resulted from interception of passes thrown by Chuck Ortmann.

The Steelers scored their lone touchdown in the last period after halfback Howard Hartley stole the ball from Bear halfback Boris D-Mancheff on the three-yard line.

## ERIE DENTIST HERO IN CANADIAN WILDS

Pt. Coulonge, Que. (P)—A vacationing dentist from Erie, Pa., performed an emergency operation yesterday with a fishhook for a needle and fishing line for suture.

He closed a deep gash in the arm of a fishing guide.

Dr. Eugene Engeskinger, repaired severed tendons and stitched up an eight-inch-long, bone-deep cut in the left arm of Ernie LaDouceur, 45-year-old operator of a fishing camp at Big Moose Lake, 40 miles north of this Ottawa River town.

suddenly after he left the bridge approach he saw a man step directly in front of his vehicle. He said he had no time to avoid hitting the pedestrian, and told about going to the store in Water street to call for an ambulance. At the time he said he was not aware of the fact that while in the store he was talking to Mrs. Schoenthaler, wife of the victim of the accident. He did not see Mr. Schoenthaler, he said, until the latter had stepped over the railing. His version of the accident was corroborated by both Dickerson and Aaron.

Members of the police department, with the aid of a drawing on a blackboard, furnished information as to distances and other details divulged during the thorough investigation that was made, including interviews with eyewitnesses and others interested in the case.

The inquest was in charge of Coroner Ed Lowrey, with District Attorney M. A. Kornreich, and Attorneys R. Pierson, Eaton and S. Knox Harper in attendance, and assisting in the questioning.

point near the Gould cottage, across Quaker road from "Hi Acres," the Wells place, while the ground to be covered by the other unit was not learned.

Tracks which were thought to be those of Mrs. Wells were traced by Sheriff Linder for some distance to the rear of the Gould place. While they appeared on a moist surface leading to a dry tract and while another moist section was then come upon, the tracks did not appear there and seemed to have disappeared on the section of ground which was to dry to retain them. The trail was not again picked up although the wooded section was thoroughly gone over.

Questioned again last night by The Times-Mirror, Gerry Mead of Russell Rd. 1, who saw a man sitting alongside the road in front of the Wells place just a few hours before Mr. Wells found her gone, was still unable to recall the man's identity. He has steadfastly maintained that he had seen the man before.

"There are numerous rumors afloat," said an Elk township resident, last night. Asked to elaborate, the man stated that they had to do with money supposed to be missing from the Wells home. Mr. Wells told a Times-Mirror reporter, last Thursday, that five twenty dollar bills which were in a drawer which also contained two one-eighth ounce vials of strychnine, had been removed, together with the strychnine, when he arrived home the night of Mrs. Wells' disappearance.

Sheriff Linder could not be contacted today but his office reported he had made no mention of receiving any additional information from New York which would lead to apprehension of Wassili Gusew, the displaced person who had been working for the Wells couple since last November and who is presumed to have left for New York the day before Mr. Wells found his wife missing.

## TRUMAN'S ARKANSAS CHOICE IS BEATEN

Little Rock, Ark. (P)—Gov. Sid McMath, a political pal of President Truman, was defeated for a third term nomination yesterday by a one-time college classmate, Judge Francis Cherry.

Unofficial reports from 2,040 of the state's 2,236 boxes today gave Cherry 190,542 votes to 110,675 for McMath.

Cherry, a 43-year-old Chancery Court judge from Jonesboro, is a newcomer to state politics with a new political weapon—the radio talkathon on which he answered questions from all comers and discussed issues for as long as 24 hours at a time.

HEARS GERMAN STUDENT  
The regular Tuesday noon luncheon meeting of the Warren Lion's club was held at the YWCA. A short business meeting was held with reports from the Tuberculosis Society and the Heart Association. Featured speaker was Miss Marga Schmitz, exchange student from Germany, who was accompanied by Miss Nancy Plummer. Miss Schmitz said that the most impressive thing about the United States was the tremendous number of automobiles. In arriving by air in New York, she said that the row after row of automobiles parked at the airport was even more impressive than the New York skyscrapers. Miss Schmitz explained that automobiles in her part of Germany were used principally by businessmen in their business only and that cars for private use were heavily taxed.

MOTORISTS INJURED  
Two motorists were injured yesterday, both taken to Warren General Hospital where one was admitted and one discharged after treatment. Mrs. Georgianna Fay, 70, of Mansfield, Ohio, was admitted with severe head lacerations sustained when a car driven by her husband skidded off Route 6 about noon and she fell from the car. She was taken to the hospital in the same car, and her condition this morning is reported as fairly good. Damage to the car was minor. The accident occurred near Sheffield. Mrs. Maxine Spear, of Youngsville, was given emergency treatment for brush burns.

contusions and possible fractured ribs and then discharged. She was injured when a car which she was driving also skidded and left Route 6 about 200 yards west of the Lily Pond crossing. Damage to the car, owned by her mother, Mrs. Dorothy Retterer, also of Youngsville, was considerable.
